Show Season

The season is looming, the buds are bursting into leaf, and the spring flowers are emerging in all the ditches and hedgerows, hopefully soon we will have some warmth in the sun and the horses new coats will appear.

I have just returned from Australia where I was lucky enough to be one of the chosen judges for the Barastock Horse Show in Melbourne. The HOYS out there is where all the qualified horses travel for miles to attend. I was lucky to judge lots of fine, quality horses, and would like to have bought some home.

Clinics and show preparation lessons. Just call my mobile 07860272155

An amazing experience, and thank you all" Down Under" for a great time and your hospitality. Now back in a rather cold and wet England I am preparing our horses for the coming season. Clinics are being arranged at Norton Heath, Addington and Lancashire

If anyone would like to book a place please contact Katie on her mobile. It is a great opportunity to get your horses in the ring with others before the season.

We have had some really nice horses to break in and school this winter, thank goodness the weather in January and February was better than the really cold snowy December we all experienced. We have some horses in the yard for sale on behalf of clients, do phone for more details if you are looking. They are all being ridden at the moment.

If you are interested in having your horse backed or schooled next October please give Kate a ring to book a stable early. We take breakers in after HOYS, and horses in for schooling

We wish everyone a happy and successful showing season, and look forward to the new ones, the oldies and meeting up with all our friends on the circuit.

Good Luck
